

To whom it may concern

Cardiff Quins Girls rugby runs 2 age group teams of girls playing in the South Wales and West of England area. An U15 team covers girls between school years 8, 9 and 10 and an U18 team which covers girls between school years 11, 12 and 13. Both age groups provide a significant number of players to the Cardiff Blues age-grade teams and the U18's have a number of Welsh age-grade internationals.

During the last 3 years Cardiff Quins girls have won over 80 games and had 56 girls representing them. They have been WRU East Wales League Winners, WRU National 10's Winners, WRU National 7's Winners, Thornbury 7's winners and Worthing 10's plate winners. Cardiff Quins girls have also gone on to represent East Wales, Cardiff Blues & Wales U18 TDG.

There have been a number of fund raising activities that have taken place over the last few months including bag-packing at a local supermarket and a sponsored 5k run. We are planning some further activities for the coming months including a number of sponsored events and we would like to ask if you would allow us to hold a fund raising bag packing day at your supermarket.

We are raising funds to help send the girls on an end of season tour as well as sponsorship for off field costs like kit and training equipment. As a club we thank you for anything you can do to help us raise funds for this very successful girls' rugby team.

Regards

*Paul Brock*
